PROFESSIONAL SUMMARY

Supply chain and procurement professional with 9+ years of experience in Source-to-Pay (S2P) operations — spanning Source-to-Contract (S2C) and Procure-to-Pay (P2P) — for global Fortune 500 clients. Currently manage Chevron's global procurement and supply chain portfolio across EMEA, NA, LATAM, and APAC at GEP Worldwide, covering RFQ/RFP management, supplier negotiation, category sourcing, vendor performance management, and purchase order execution for 1,000+ POs and 800+ shipments annually. Strong track record in strategic sourcing, spend analysis, and category performance reviews, complemented by hands-on skills in Power BI, SQL, and Advanced Excel for procurement analytics, KPI dashboards, and MIS reporting. Comfortable owning end-to-end sourcing projects, mentoring teams, and driving process improvement across multi-region operations.

CORE COMPETENCIES

Procurement & S2P (S2C + P2P): Source-to-Pay Operations, Source-to-Contract, Procure-to-Pay, Purchase Order Management, RFQ/RFP Management, Bid Evaluation, Category Management, Strategic Sourcing, Contract Coordination, Invoice Processing & Resolution

Sourcing & Vendor Management: Supplier Evaluation & Negotiation, Vendor Performance Management, Supplier Relationship Management (SRM), Commercial Negotiation, Vendor Onboarding, Escalation Management

Supply Chain Planning: Demand Forecasting, Inventory Planning & Optimisation, Replenishment Planning, S&OP Support, Supply Risk Management, Multi-region Coordination

Analytics & Reporting: Power BI, SQL, Advanced Excel (Pivot Tables, VLOOKUP, Macros), KPI Dashboards, MIS Reporting, Spend Analysis, Data Validation

Tools & Systems: SAP (Procurement Integration, ERP Coordination), GEP SMART, Jira, ServiceNow, Salesforce (SFDC), Microsoft Azure Fundamentals

Soft Skills: Cross-functional & Multicultural Collaboration, Stakeholder Management, Process Documentation & SOPs, Mentoring & Training, Executive Reporting

PROFESSIONAL EXPERIENCE

Senior Analyst — Procurement & Supply Chain | GEP Worldwide, Mumbai *Sep 2021 – Present*

- **Manage end-to-end S2P operations (S2C + P2P) for Chevron**, a global Fortune 500 client, across NA, LATAM, EMEA, and APAC — owning RFQ/RFP cycles, supplier negotiation, category sourcing, and purchase order execution for 1,000+ POs and 800+ shipments annually in compliance with procurement policies and client SLAs
- **Own complex sourcing projects across multiple categories and sub-categories**, evaluating supplier bids, negotiating commercial terms, and coordinating with cross-functional teams to validate requirements before sourcing decisions
- **Manage supplier relationships and vendor performance tracking across regions**, monitoring delivery, cost, and compliance metrics, and flagging underperforming vendors for corrective action
- **Monitor inventory levels and demand-supply alignment across regions** to avoid stockouts and overstock; track supplier delivery timelines and proactively escalate supply chain risks to minimise disruptions
- **Manage SAP-to-GEP SMART document integration workflows**, troubleshooting interface failures between SAP ERP and the procurement platform (Amalto, PIDX), coordinating with ERP and engineering teams to resolve document status issues
- **Conduct spend analysis, market dynamics assessment, and category performance reviews**; identified 50+ process inefficiencies and implemented improvements that reduced cycle times and sourcing costs
- **Build and maintain 50+ Power BI dashboards and MIS reports**, owning the analytics and reporting layer for the account — tracking procurement KPIs, spend trends, and supplier performance; improved data accuracy by 30% through SQL-based validation and master data governance
- **Serve as Subject Matter Expert (SME) for S2P and sourcing processes**, creating process documentation and SOPs; mentored and trained 20+ team members; received multiple client appreciation awards

Senior Procurement Operations Associate | Accenture Solutions Pvt. Ltd., Mumbai *Jan 2019 – Sep 2021*

- **Managed procurement and order fulfilment operations for Google's EMEA supply chain**, coordinating with order management, demand planning, warehousing, and logistics teams for timely, accurate execution
- **Developed demand replenishment plans** using historical sales data, market trends, and seasonal patterns; monitored inventory positions against demand forecasts to maintain service levels

- **Resolved order conflicts, blocked orders, and supply exceptions**, managing escalations with internal teams and external suppliers to maintain fulfilment commitments
- **Tracked supply chain KPIs** including forecast accuracy, demand variability, inventory turns, and fill rates; conducted data audits and generated variance reports to guide planning decisions

Fulfilment Executive | Bizongo Smartpaddle Technology Pvt. Ltd., Mumbai

Aug 2018 – Dec 2018

- **Managed vendor relationships and end-to-end sourcing/order fulfilment**; reduced cost inefficiency by 15% through supplier performance analysis and strategic sourcing decisions
- **Monitored procurement KPIs and supplier delivery timelines** using Excel; generated efficiency and cost performance reports for management review

Operations Associate | ICLP Collinson's Group, Mumbai

Mar 2017 – Jul 2018

- **Analysed supplier and RFQ data to drive competitive sourcing**; improved supplier reliability by 20%, increased competitive bidding by 25%, and reduced average procurement costs by 10% through strategic vendor evaluation and negotiation
- **Created client performance reports and procurement dashboards**; awarded Best Performer of the Month & Quarter for analytical rigour and service quality

Earlier Roles: Computer Operator — Vision Solutions (2015–2016) | Desktop Engineer — Pinnacle InfoTech (2014–2015)

KEY ACHIEVEMENTS

- Managed Chevron's global procurement and supply chain portfolio across NA, LATAM, EMEA, and APAC — 1,000+ POs and 800+ shipments annually with consistent SLA adherence
- Improved procurement data accuracy by 30% through structured validation and master data governance at GEP Worldwide
- Reduced cost inefficiency by 15% at Bizongo and average procurement costs by 10% at ICLP through data-driven supplier negotiation and sourcing decisions
- Improved supplier reliability by 20% and increased competitive bidding by 25% at ICLP through RFQ analysis and vendor evaluation
- Identified and resolved 50+ process inefficiencies, driving measurable improvements in sourcing cycle times and operational costs
- Recognised as Subject Matter Expert (SME); built SOPs and training materials, and mentored/onboarded 20+ team members
- Received multiple client appreciation awards across GEP Worldwide, Accenture, and ICLP Collinson's for service excellence and delivery quality
